

Technical drawing of a shaft assembly. The shaft has a diameter of $\varnothing 90$ mm. The drawing shows a shaft with a central section of length 30 mm, a section of length 42.5 mm, and a section of length 6.5 mm. The shaft is supported by bearings. The material specification is $DW = 900 (810) <713> [650] [583]$. The drawing includes a cross-section of the shaft and a side view of the shaft assembly.
